and make an appointment
for a free consultation!

030 - 98 33 95 77

Prerequisites

We offer coaching in multiple languages. For our German-language coaching programme, participants should be at least B1-level German speakers in order to take part.

Otherwise, coaching in English, Polish, Turkish, French and Spanish is also available.

Each module can be selected individually

Module I

I

the Clearing Method

30 Course Units

This helps you gain clarity over the personal and professional challenges you may be facing in order to overcome them

Module II

II

Competencies & Self-marketing

30 Course Units

Based on your abilities and experience, we will help you coordinate a personal strategy for career orientation

Module III

III

Personal Marketing

35 Course Units

This is where we will work together to prepare your marketing materials, from an innovative and modern resumé, to a one-page website

Module IV

IV

Application of Strategy

30 Course Units

Through joint industry analysis, networking and guiding your application process, we will help to set you on your own path
